

Agricultural Protection Area

Helping Agricultural and Timber Producers
of Valley County
Preserve their Lands for the Future

Purpose

- ◆ Protects productive farmland, rangeland, and forest land
- ◆ Promotes farm viability
- ◆ Supports the local agricultural economy
- ◆ Set aside land for future agricultural use for 20+ years

Do You Qualify?

- ◆ Must have at least 5 adjacent acres of land
- ◆ Land actively used for agriculture or forest production for past 3 years
- ◆ Land assessed as agricultural or forest land located in an area that allows for agricultural or forest use
